The Lighter Side

Family: I have a younger brother in New York, an older one in Lima, Peru and my only sister lives here in La Paz.

My husband and I have four grown up children; two of them live in Mexico, one in New York and the fourth one works here, in La Paz.

Interests: Reading, traveling, jewelry making, candle making, sports and working out at the gym.

Favorite...: Some of my favorite writers are Murakami, Marai, Borges, Yourcenar, Beauvoir, Bombal.

Words of Wisdom: No need to hurry. No need to sparkle. No need to be anybody but oneself.
