Years Experience:
16

Number of Years Overseas:
15

Professional Duties: Math & Science 6 – 9, Coaching, Science Curriculum.

Best Part About the Job:
Watching students grow.

The Lighter Side

Family: Our 3 children all live in the US, raising our beautiful grandchildren, working and continuing their educations. My mother, brothers, sisters and all their children live in many places around the US.

Interests: Camping, canoeing, scuba diving, astronomy and many other outdoor activities.

Favorite...: My favorite place is my back yard at home full of family and friends.

Words of Wisdom: Life is an adventure, you gotta **live** it.
